

Barley Technical Officer to join our SECOBRA Recherches team based in Urrbrae, Adelaide, SA.

- Join Nutrien Ag Solutions, the leading Agribusiness in Australia.
- Flexible working arrangements & a competitive salary package.
- Adelaide, SA Location.

Seednet is Nutrien Ag Solutions' national cropping seed business. SECOBRA Recherches is Seednet's barley breeding partner with head office in France and Australian operations based in Adelaide, Australia.

SECOBRA Recherches brings 120 years of barley breeding experience to Australia with its exciting first commercial variety: 'Laperouse' released in 2021. While South Australia is the main base for SECOBRA Recherches in Australia, the breeding program is developing improved new varieties for all Australian barley growers with breeder trials also in Western Australia, Victoria and the northern cropping region.

### *About the Opportunity :*

Reporting to the Barley Breeder you will work closely and assist the barley breeder to maximise the annual operations and outcomes of the Seednet / SECOBRA Recherches barley breeding program, to develop and deliver improved new varieties for commercialisation. The role will consist of a mix of both office and field work

In addition, you will assist the barley breeder to :

- organise seed samples for crossing, nurseries, malting assessment and field trials
- collate phenotypic, yield and physical grain data
- oversee the work of service providers to ensure all activities are of a high quality
- maximise purity and volume of multiplication of seed of advanced lines
- maintain germplasm bank annually

### *About You :*

To be successful, you will have :

- Experience in a similar role-agronomy, research, field trials & greenhouse operations
- Tertiary qualification in Agricultural Science or Similar
- Can do attitude
- Proven communication skills, with a natural ability to create and maintain relationships with internal and external stakeholders
- Forklift license (Highly Desirable)

**A clean & current driver's license is mandatory for the position – Arrangements with vehicle to be negotiated.**

### *Why work for us ?*

- A competitive remuneration package + an additional day of leave – Nutrien Day
- Gender neutral parental leave policy
- A supportive, flexible, and engaging environment that will support personal/professional development
- Opportunities to support community partnerships across our network
- Be a member of a company committed to feeding the future
- Ongoing training and development to pursue individual ambitions
- A culture of learning!
